STATEMENT OF ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

STATEMENT OF ACCOUNTING POLICIES

GENERAL ACCOUNTING POLICIES

Reporting Entity

Second Nature Charitable Trust is a charitable trust incorporated under the Charitable Trusts Act 1957. The Trust is considered to be a public benefit entity for the purposes of financial reporting in accordance with the Financial Reporting Act (2013).

The financial statements and the accompanying notes summarise the financial results of activities carried out by the Trust.

These financial statements were authorised for issue by the trustees on 15 August 2017.

Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with the Charities Act 2005 which requires compliance with generally accepted accounting practice in New Zealand ("NZ GAAP").

The Trust is a registered charity in New Zealand. The Trust is a public benefit entity for the purpose of financial reporting as the underlying principle of any registered charity is the carrying out of a charitable purpose. They comply with Public Benefit Entity Standards. For the purposes of complying with NZ GAAP, the Trust is a public benefit not-for-profit entity and is eligible to apply Tier 2 Not-for-Profit PBE IPSAS RDR on the basis that it does not have public accountability and it is not defined as large. All reduced disclosure regime exemptions have been adopted.

Measurement Base

The general accounting policies for the measurement and reporting of results and financial position under the historical cost method have been adopted in the preparation of these financial statements.

Functional and presentation currency

The financial statements are presented in New Zealand Dollars (\$), which is the functional and presentation currency, rounded to the nearest dollar.

There has been no change in the functional currency of the trust during the year.

Changes in Accounting Policy

For the year ended 31 March 2016, the trust prepared its financial statements in accordance with the Public Sector PBE IPSAS – RDR standards. For the year ended 31 March 2017, the trust has moved out of the OAG mandate and is no longer considered to be operating in the public sector. Financial statements for the year are prepared in accordance with the Tier 2 Not-for-Profit standards as the trust is now a Not-for-Profit entity.

There are no significant changes to accounting policies arising from this transition.

STATEMENT OF ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

There have been no changes in accounting policies other than the adoption of PBE Not-for-Profit Standards in the 2017 financial year.

Significant Judgements and estimates

The preparation of the trust's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements:

In the process of applying the Trust's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

- Revenue recognition non-exchange revenue (conditions vs. restrictions)
- Useful lives of property, plant and equipment
- Classification of non-financial assets as cash generating or non-cash generating assets for the purposes of assessing impairment indicators and impairment testing.
- Going concern refer to note on page 9.

Goods and Services Tax

The Statement of Comprehensive Revenue and Expense has been prepared so that all components are stated exclusive of GST. All items in the Statement of Financial Position are stated net of GST with the exception of receivables and payables which include GST as invoiced.

Taxation

The Trust is an approved charitable organisation registered with the Department of Internal Affairs Charities and recognised by the Inland Revenue Department. As such it is exempt from income tax on income derived by the Trust for charitable purposes.

Accounts Receivable

Accounts Receivable are valued at expected realisable value.

Grant and Sponsorship Income

Grant and sponsorship income is recognised when monies are received or receivable from donors or sponsors and any conditions of the funding have been met.

Fixed Assets

On initial recognition, items of property, plant and equipment are recorded at cost. Buildings, items of property, plant and equipment are stated at cost, less accumulated depreciation and impairment losses.

Subsequent costs are added to the carrying amount of an item of property, plant and equipment when that cost is incurred if it is probable that the future economic benefits embodied with the item will flow to the Trust and the cost of the item can be measured reliably.

STATEMENT OF ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

Depreciation

Depreciation has been calculated on a straight line basis at rates that will write off the cost of the assets to their estimated residual values over their estimated useful lives.

Depreciation rates used are as follows:

	Rate	
Buildings & Multi-Purpose Event Centre	2% - 8.4%	SL
Artwork & Project Sponsored Art	1%	SL
Furniture	3.6% - 67%	SL
Computers and software	7.8% - 48%	SL
Motor Vehicles	21%	SL
Office Equipment	21% - 25.2%	SL
Other	3% '	SL
Technical	6.6% - 36%	SL
Vector Wero Whitewater Course	2%	SL
Vector Wero Whitewater Equipment	7% - 67%	SL
Vector Wero Building	2%	SL

Going Concern Assumption

These financial statements disclose an operating surplus of \$ 3,763,257 (2016: \$15,627,689) (this surplus relates to donations, grants and trading and has been utilised in paying for the stage two and three capital works). The trust has a working capital deficit of \$695,635 primarily due to unpaid construction invoices at balance date. These invoices were settled by grant funding received after balance date. The continued use of the going concern assumption is dependent on the Trust receiving the ongoing support of sponsors, achieving budgeted trading levels and working within the \$6,000,000 of available funding lines. The trustees have full expectation of this ongoing support and the ability to adjust overhead expense to the level of trading and funding.

Employee Benefits

Short Term employee benefits

Short-term employee benefit liabilities are recognised when the Trust has a legal or constructive obligation to remunerate employees for services provided with 12 months of reporting date, and is measured on an undiscounted basis and expensed in the period in which employment services are provided.

Long term employee benefits

Long-term employee benefit obligations are recognised when the Trust has a legal or constructive obligation to remunerate the employees for services provided beyond 12 months of reporting date. The Trust did not have any long term employee benefits during the current financial period.

STATEMENT OF ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2017

Revenue

Services

Revenue from the rendering of services is recognised upon performance of services to the customer. Revenue is recognised to the extent that it is probable that the economic benefits or service potential will flow to the Trust and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty.

Non-exchange revenue - Grants, donations, legacies and bequests

Non-exchange revenue from grants, donations, legacies and bequests is recognised in the year unless the nature of any stipulations attached to the inflow of resources received are yet to be completed, which then creates a liability (i.e. present obligation).

Stipulations that specifically require the Trust to return the inflow of resources received if they are not utilised in the way stipulated results in the recognition of a non-exchange liability until the conditions are satisfied.

Stipulations may exist that are in essence restrictions - which do not specifically require the Trust to return the inflow of resources received if they are not utilised in the way stipulated. Such stipulations therefore do not result in the recognition of a non-exchange liability, and do result in the immediate recognition of non-exchange revenue.

Interest Income

Interest income is recognised when received.

Expenditure

Operating lease payments

Independent Auditor's Report

To the trustees of Second Nature Charitable Trust

Opinion

We have audited the financial statements of Second Nature Charitable Trust ("trust"), which comprise:

- the statement of financial position as at 31 March 2017;
- the statement of comprehensive revenue and expense for the year then ended;
- the statement of changes in net assets/equity for the year then ended;
- the statement of cash flows for the year then ended; and
- the statement of accounting policies and notes to the financial statements.

In our opinion, the accompanying financial statements on pages 3 to 17 present fairly, in all material respects, the financial position of Second Nature Charitable Trust as at 31 March 2017, and its financial performance and its cash flows for the year then ended in accordance with Public Benefit Entity Standards Reduced Disclosure Regime issued by the New Zealand Accounting Standards Board.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We are independent of the trust in accordance with Professional and Ethical Standard 1 (Revised) *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

An affiliated RSM entity has provided other services to Second Nature Charitable Trust in the areas of certain accounting and advisory services, as well as compilation of the year-end financial statements. The provision of these other services has not impaired our independence as auditor of the trust. Except in these regards, and other than in our capacity as auditor, the firm has no other relationship with, or interests in, Second Nature Charitable Trust.

Other information

The trustees are responsible for the other information. The other information comprises the Directory on page 2 (but does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the trustees for the financial statements

The trustees are responsible, on behalf of Second Nature Charitable Trust, for the preparation and fair presentation of the financial statements in accordance with Public Benefit Entity Standards Reduced Disclosure Regime, and for such internal control as those charged with governance determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, the trustees are responsible, on behalf of the trust, for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements. A further description of the auditor's responsibilities for the audit of the financial statements is located at the XRB's website at:

https://xrb.govt.nz/Site/Auditing Assurance Standards/Current Standards/Page8,aspx

Who we report to

This report is made solely to the trustees, as a body. Our audit has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the trust and the trustees as a body, for our work, for this report, or for the opinions we have formed.
